Karen,

Attached is the TI document tracking status. We can go over their schedule and discuss whether any need our review/approval.

I recently rec'd:

Final FOST for Parcels A through I (FOST 4)--10/30/14 with 12/18/14 change page

Final Five-Year Review of Remedial Actions—12/15/14

Final RACR IR Site 27—12/12/14

Let me know if you'd like to take a look at any of them, I can email or you can borrow from my cube 10355, top shelf.

Also rec'd a Draft Rad Work Plan re: Various Areas, but David indicated EPA isn't reviewing the RAD work anymore.
